Once the individual has completed the appropriate pre-requisites they will be issued with the appropriate coloured CCDO card.

These cards are renewable every 5 years to ensure that carded demolition workers have the most up to date knowledge and are operating in the safest and most efficient way whilst performing their designated tasks. In supervisory roles, it's essential that working practices are correct as these processes will be taught to junior labourers.

Our refresher courses take place in one day and cover all of the basic knowledge updates required to renew your CCDO card for 5 years.
